Healthy Mothers

The bearing of children is frequently followed by poor health for the mother. This supreme crisis of life, finding her physical system unprepared for the demands of nature, leaves her with weakened resistive powers and sometimes chronic ailments. This can be avoided if Mother's Friend is used before the coming of baby, and the healthy woman can remain a healthy mother. It is the only remedy that perfectly and thoroughly prepares the system for healthy motherhood, and brings about a natural and easy consummation of the term. Women who use Mother's Friend are always saved much suffering when the little one arrives, and recover more quickly, and with no ill effects or chronic troubles. Every expectant mother should safeguard her health by using Mother's Friend, thus preparing her physical condition for the hour of motherhood. This medi- MOTHER'S cine is for sale at drug stores. ANNOUNCES FUTURE PLANS.

Secretary Dickinson to Give Sole Attention to Private Business. Secretary Dickinson's retirement from

he cabinet appears to have been erroneously accepted in some quarters as an inturn to active business pursuits. Upon being questioned today in regard to his future the Secretary stated positively that nothing was farther from his mind. He intended to give his attention solely to caring for his own affairs, which needed looking after. Besides the Bon Air Coal Company, lately gone into the hands "dago" dialect songs. The Danube dance of a receiver, in which he was interested, was performed by Miss Saxton. There he owns a plantation in Arkansas he has not seen in two years, and then there was some business property in Memphis which requires to be put into shape. He intends to look into these things, he says, but does not contemplate going out into business life to engage in money making. Although he had intended to leave Washington almost immediately upon the announcement of the selection of his suc cessor, in view of the fact that Mr Stimpson has not been commissioned and cannot close up his affairs before next Monday, Secretary Dickinson will remain in charge of the War Department until his successor is ready to qualify.
